Dear Board of Directors:

I am writing to express my support for the Kingsbridge Riverdale Van Cortlandt Development Corporation (KRVC), a wonderful organization that has done tremendous work in our community for many years.

The KRVC has been instrumental in fostering all of the best that our incredible neighborhood has to offer. From sponsoring family events like movie nights in the park, to street festivals that highlight our vibrant array of locally owned small businesses, KRVC has and continues to play an important role in bringing our neighborhoods together while promoting the many great attractions of the northwest Bronx. Their work has raised our collective profile and made this great area a true destination for people throughout the city and beyond.

I congratulate KRVC on their fine efforts and look forward to continuing our partnership in the years to come. I am certain that together we will be able to make our great community even greater.

Sincerely,

Jeffrey Dinowitz
Assemblyman
