Message from the Executive Director

Thank you for your support and interest in the Kingsbridge–Riverdale–Van Cortlandt Development Corporation/KRVC. We hope you enjoy this calendar, which features photos of our team and past events. We invite everyone to attend and support our events scheduled in 2019, many of which are indicated on this calendar. You can always view our most updated calendar at krvcdc.org/events. KRVC also maintains a business and neighborhood directory and an online calendar of community events that you can check out at krvcdc.org/community.

KRVC is comprised of a great team of local community members dedicated to serving the neighborhoods they live, work and play in. We all love what we do and hope to continue to produce great events and offer programs and initiatives to enrich our local Bronx neighborhoods for many years to come.

KRVC's primary work and event space is 505 West 236th Street in the Bronx. We invite community members to stop by and check out our dynamic, inspirational storefront space situated along a busy commercial corridor in the heart of the community we serve. Our 2019 plans for the space include rebranding and the installation of a climate control system and other amenities to make it more welcoming and comfortable for the public to enjoy as a community space.

Everything we do is only possible with your continued support. The back of this calendar acknowledges our 2018 funders. We hope to have a high level of support again in 2019. Mostly, we hope to attract new donors. Please support or continue to support KRVC in 2019 by making a one-time donation, quarterly donations or monthly donations throughout the year. We are counting on you!

Tracy Shelton

KRVC Works is our jobs initiative. The program includes a job and resume online bulletin board, skills workshops and networking events. The main event of this program is our Jobs Networking Event. These events have been attended by hundreds of community members. Dozens of local businesses and organizations have set up informational tables with job and volunteer opportunities at these events. We have two Jobs Networking Events planned for 2019.

Beautifying The Bronx block by block is the goal of this project. We have several Community Clean Up and Beautification Days planned for 2019 as part of this ongoing project. Through this project, KRVC works with merchants to keep the commercial corridors clean, plant flowers, install tree rails, research corridor improvement options and more.

Truckin' with KRVC are special events held throughout the Bronx. KRVC's 10-foot box truck is a great backdrop for small, pop-up events that can be held anywhere. The events planned for 2019 will be held in front of and near our top sponsors. They include Earth Day at Elliman, Mother's Day Craft Event in front of DJ Drugs and Flowers by Zenda and Pumpkin Decorating in North Riverdale. We look forward to working with our sponsors to plan and produce unique events to promote their businesses and to enrich our community

Development Initiatives – KRVC's two major Development Initiatives are the Hudson River Greenway Initiative and the Broadway in the Bronx Initiative. The Hudson River Greenway Initiative recently received a boost with the release of a study by the Metropolitan Transit Authority, which will serve as a blueprint for the Greenway. RiverFestBX will be produced to highlight this initiative. The main focus of our Broadway in the Bronx Initiative in 2019 will likely be to support the Tibbett's Brook Daylighting proposal and to continue to monitor the Empire State Trail plans.

Brush the Bronx is KRVC's cultural program. The goal of Brush the Bronx is to connect the Bronx through art, music, film, literature and poetry. We support and cultivate local artists while promoting culture in the Bronx. Brush the Bronx produces cultural events and implements cultural programs throughout the Bronx. KRVC is in the process of spinning off our Brush the Bronx program to form a separate 501(c)(3) not-for-profit corporation.

KRVC's 2019 Calendar includes several large-scale and small-scale cultural events. Three events are described below. We will also produce additional concerts and other cultural events in our office/club in Riverdale and throughout the Bronx, including RiverFestBX.

Jazz at Amalgamated is a special event in Van Cortlandt Village. About a hundred community members attend this event to enjoy world class jazz. Vladeck Hall is a beautiful setting for this event, which also features light refreshments. We are happy to include this event on our 2019 calendar.

Art at Amalgamated is another cultural event produced by KRVC in Van Cortlandt Village. Over the course of the day hundreds of community members attend this art show, which features about 20 local artists. Vladeck Hall is a great space to hold this event, which also features live piano music and light refreshments.

National Night Out Against Crime/Kingsbridge Art & Music Festival is a fun-filled afternoon held annually on the first Tuesday in August. KRVC is proud to work closely with the 50th Police Precinct on this special community event. KRVC brings art, music and other attractions to the festival to make it extra special for the attendees.

505BX Cultural Events – 505 West 236th Street is our workspace, which also serves as a cultural club for small-scale events held in the indoor and outdoor spaces of KRVC. They include live music, poetry readings, film screenings and more. We have many exciting plans for the space in 2019 and will announce more events as the year and plans progress.

Special Events – KRVC produces special events at our office including a Halloween Party, Santa at KRVC, Bingo and more. Our Halloween Party is attended by hundreds of community members and features pumpkin decorating, live music and candy. Our Holiday Party includes Christmas and Hanukkah crafts, hot chocolate and cookies and the chance for children to visit Santa for free and locally. Bingo is played at KRVC for free and the winners receive small prizes. In 2019, we are planning to produce a concert and movie in our backyard. KRVC also produces RiverFestBX, A Celebration of the Hudson River in the Bronx, at the College of Mount Saint Vincent. Visit riverfestbx.org for updates and details on RiverFestBX 2019, which will take place all on the river, only on College Point and be much smaller than previous years.

This program is supported, in part, by public funds from the New York City Department of Cultural Affairs, in partnership with the City Council.
